

5th Grade/Greek Language

Homework 6

Week: Nov. 03 – Nov. 07

**DUE DATE:
NOV 10**

Dear Parents, here are three exercises to test what the scholars have learned/remember from the material they have been taught. All exercises have to do with the names of the months and the seasons. In the first exercise, the scholars need to match the jigsaw pieces and write the word underneath. In the second exercise, the scholars need to look at the pictures, guess the season and complete the crossword. And finally, in the third exercise, they need to find the names of the appropriate months as described by each picture and match them with the picture.

As always, if there are any questions, I am only an email away!
