**Note to Geometry Students of 8th Grade (B, C and A)**

Dear Students,

I may not be in school today during your class. During my absence you may do the work as mentioned below.

Take the **new text book** and do the practice works on **Chapter -7. (7.1 to 7.5).**

Do as many questions as possible. Do the **work in your note book** so that **I may check** in the next class. **(Do not scribble or write anything in the Text book)**

With regards,

Mr. George.
