

3rd Grade American Math HW 14

Chapter 8: Understand Division

Dear Family,
**Happy New Year and
Welcome Back to School!**

During the next few weeks, our math class will be learning about division facts and strategies. We will learn strategies to use to divide by 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, and 12.

Vocabulary

- **Array:** An arrangement of objects in rows and columns.
- **Dividend:** The number that is to be divided in a division problem.
- **Divisor:** The number that divides the dividend.
- **Related Facts:** A set of related multiplication and division equations.
- **Quotient:** The number, not including the remainder, that results from division.

-
- Homework due date: **Sunday, January 11th**
 - Students will retake the **Chapter 11 Math Test on Thursday, January 8th**. Please review the Chapter 11 test that was given on HMH on December 18 to help your child prepare.
 - Feel free to contact me with any questions at diana.charaf@archimedean.org
