

Dear parents  
-concerning the new **homework 11:** in  
order for the students to complete it  
(new and old ones) all information  
needed by them can be found in the  
unit's study guide.

I also strongly advise them to open the  
**«ο Φοίβος λέει» in Archie Resources**  
file to review how the endings of the  
verbs change according to the person  
(subject).

Last but not least, please make sure to  
consult the weekly newsletter, as this is  
where I inform you about the schedule  
and tasks for the week.

Thank you for your cooperation and  
support
