

Α' Τάξη Ελληνικά Μαθηματικά

STUDY GUIDE

Oral quiz

Thursday, January 29

Students should be able to:

- 1.Count in Greek from 0 to 100 and back.
- 2.Count in Greek by 2, 3, 4, 5, 10.
- 3.Say the numbers and symbols in Greek while adding two numbers (two digits with one digit). "Horizo" method.

Students can practice using my videos from the Cinemath.
