

Dear parents,

Given the fact that many students used to not read the newsletter on Archie for the week's assignments and consequently come unprepared, I decided to inform you about this week:

Homework 15: due day the 23rd of February uploaded on Seesaw

Thursday: test on the vocabulary words of unit 22, which are marked purple in the unit's study guide.

Friday: spelling quiz on the 15 first words of this unit's vocabulary.

Students also have to practice on reading the first paragraph of the reading comprehension passage of the unit

EVERYTHING THEY MIGHT NEED IS UPLOADED ON ARCHIE RESOURCES
