

Chapter 23 - Assignment 2: Plato's *Crito* Dialogue — [2]

~*~*~*~

1. According to Socrates, why shouldn't we be guided by popular opinions about justice, beauty, and goodness? (See page 6.)

2. According to Socrates, can an expert's opinion about something ever be the same as the popular opinion about the same thing? Why or why not? Explain. (See page 6.)

3. According to Socrates, why wasn't he convinced by Crito's arguments for escaping?
(See page 6.)

4. According to Crito, do *two wrongs make a right*? Why or why not? Explain.
(See pages 6–7.)
