Main Idea & Details

# Ice Cream

When you think about different flavors of ice cream, you may imagine chocolate, vanilla, and strawberry. But have you ever heard of ice cream with lobster in it? A shop in Bar Harbor, Maine serves lobster ice cream, which has real lobster pieces cooked, buttered, and folded into a buttery vanilla ice cream. A shop in New York tries out new one-of-a-kind ice cream flavors each day. Some of their creations include garlic ice cream, pizza ice cream, and corn on the cob ice cream. For Thanksgiving, you can have your turkey dinner and dessert all in one at another New York shop that makes Fresh Brown Turkey Ice Cream. If you are feeling really adventurous, you can make your way to Namja Town, an amusement park in Tokyo, Japan that serves squid ice cream, cow tongue ice cream, and even raw horse flesh ice cream!
