

CLASS NEWS

MS. BOXER'S Kinder Science Class

Week Of March 16-20

OUR LEARNING

This week in science class, we are learning all about matter and physical properties of matter.

Scholars will be sorting matter by different properties as well as describing matters' physical properties.

We will continue to work on "STEM Challenge 3: Ricky the Rock".

Let's have an awesome week!!

EVENTS

March 17th- St. Patrick's Day
