

## 2nd Grade

American Math Homework Week 03/16 - 03/20

### HMH Chapter 16

#### Vocabulary Word

- equal parts
- whole
- two halves
- three thirds
- four fourths
- half/halves, half of
- third/ thirds, third of
- fourth/fourths, fourth of or quarter of
- fraction bar

### A Note From Ms. Varela

This week, we will complete Chapter 16, Fractions Concepts. Chapter 16 Test, Monday, 23rd.

Students will be able to partition circles and rectangles into two, three or four equal-sized parts. Name the parts using appropriate language, and describe the whole as two halves, three thirds or four fourths. Also, partition rectangles into two, three or four equal-sized parts in two different ways showing that equal-sized parts of the same whole may have different shapes.

Students need to keep the ruler in the green folder.

### Homework

The homework is due Monday, March 23rd

IXL homework may be completed in an iPad or desktop. The IXL login credentials are stapled in the American Math green folder.

Monday	IXL H5R (LL.1) Equal parts
Tuesday	IXL QD2 (LL.9) Make halves, thirds, and fourths
Wednesday	IXL PZG (LL.11) Identify a half, a third, and a fourth
Thursday	IXL 6SG (LL.10) Make halves, thirds, and fourths in different ways
Friday	IXL GYS Make halves, thirds, and fourths in different ways - rectangles
