

Dear parents

Given the fact that this week we are having the fun day on Monday and the Greek Independence Day on Wednesday the students will have only to copy the next unit's (unit 24 «ο καιρός») vocabulary. But please bring to your child's attention to write the small case letters inside the light blue background except **β, δ, θ, λ** which must reach the top black line and **γ, ζ, μ, ξ, ρ, φ, ψ** which must go under the bottom line. There is a pdf file uploaded on Archie Resources in which you can find all the Greek letters written the correct way under the tittle:

ΠΑΡΑΔΕΙΓΜΑ ΓΡΑΦΗΣ ΣΕ ΔΙΓΡΑΜΜΟ

Thank you for your cooperation and have a nice week.
