

## Archimedean PreK Reading and Language Arts

### End of the Year Study Guide

- All 26 capital letters
- All 26 lowercase letters
- All 26 letter sounds
- Write first and last name
- Sight Words: see, me, a, I, for, at, is, the, am, be, you, to, can, like, and, we, go, look, big, little, it, in, up
- Rhyming Words
- Counting how many syllables in a word
- Onset and Rime (blending the first sound of a word to the rest of the word). This is something we have been practicing in class. I will say "/b/ at" and the child should say the word they hear "bat." I am saying the sound of the first letter of a word, I pause, and then say the rest of the word. Students should be able to tell me what word they hear.
