

AMERICAN MATH HW
WEEK OF April 20-24, 2026

Due Date: Monday, 4/27 in class

Focus for the week: The focus of the HW this week is the FAST assessments and corrections on MATH Big Ideas. Students should take all 13 assessments and correct, on paper, mistakes made to improve their grade. There should be a cover page with the title “Big Ideas Math Assessments” with their name and class section. The corrections for each assessment should be titled and the question copied and corrected. This should be neat, organized and clearly labeled.

Uploading Instructions: Homework will be turned in on a paper during class.

IMPORTANT – Please show ALL YOUR WORK done to find the answer to any problem to earn FULL CREDIT. No credit is earned when only final answer is written and no work is shown.

Note: Bring your homework to class every day. I will discuss the HW from the previous day in every class. It is important to practice the assigned topics daily because the next day’s instruction builds on the previous lesson.

ANNOUNCEMENT – FAST Practice Test- Friday 4/ 24

Additional Practice Material (Optional):

- 1) IXL practice:
 - i. Go to IXL.com on any web browser OR IXL app on iPad
