

## **FINAL**

### **Welfare State Project--Group Presentation**

**Due Date:** May 22nd (**BEFORE CLASS ENDS**)

1. **Group:** 2 to 3 people
2. **Create your own Welfare State**
  - a. **Choose a model discussed by Nancy Fraser in, "After the Family Wage: Gender Equity and the Welfare State"**
    - i. Universal Breadwinner or Caregiver Parity
  - b. **Create and Describe**
    1. **Using real data**
      - ii. Laws,
      - iii. Policies
      - iv. Services
      - v. Opportunities that this state will provide and to whom.
        1. You need to be precise and descriptive
          - a. You need to work with real data
            - i. Economic
            - ii. Gender/racial/ethnic equity
              1. Cite the sources whenever needed.
          2. **Create a works cited page at the end of the presentation**
  - c. **Explain "gender equity" in relationship to your model**
    1. You need to use the five principles described by Nancy Fraser
      - a. Anti-Poverty
      - b. Anti-Marginalization
      - c. Anti-Androcentrism
      - d. Anti-Exploitation
      - e. Equality Principle
        - i. Income
        - ii. Leisure
        - iii. Respect
    - ii. how/where your model succeeds (why?)
    - iii. how/where it fails (why?)

- d. **Explain why** your state is an exemplar of the model you chose.
  - i. Paragraph form (last slide)

**Presentation (Google Slides) Structure:**

1. **Slide 1:** Title of the presentation and full names of the members of the group
