

Homework 32

Due Tuesday
5/19.

For this week's homework, students will complete Practice Test 1 on HMH using their iPads. These assignments will be graded as classwork.

Students should log in to HMH, go to "Assignments," and complete the practice test.

The practice tests are the same reviews that have already been posted on Archie. If a student has already completed them on paper, they still need to enter their answers again on HMH.

The Practice Tests are due on Tuesday, May 19th.

There will be no other homework assigned next week.
