

2nd Grade

American Math Homework Week 05/18 - 05/22

A Note From Ms. Varela

This week, 2C is scheduled to take the STAR Math PM3 and makeups. Our scholars will continue practicing math skills to prepare them for 3rd Grade.

In the past two weeks, we have seen an increased number of behavior incidents. Please remind your scholars that behavior will be graded until the last day of school.

Reminders:

- Toys are not allowed in school
- students need permission to leave the lunch room
- students need to respect personal space
- students need to respect the property of others

All parents have been notified of behavior issues. Students who do not follow school rules, will not participate in the 2nd Grade Party scheduled for May 29th if behavior issues persist.

Homework

The homework is due Tuesday, May 26th.
