

HW May 22 - 26

Many of you have been asking for extra practice for the ELA FAST on the 27th. I have provided a link to Shenandoah Middle that contains great links with fun Quizlet and Quizziz reviews.

Take some time tonight, Friday, and this weekend up until Tuesday night to practice. Go to 6th Grade Reading when you open the link, and try going through all of the links.

There is no grade for this, and I am using the honor code; but I am confident that you will all take some time to practice before our big day! This is posted in Google Classroom to make it easy for you to continuously access the link!

I'm proud of you, and confident that you all are going to KNOCK IT OUT OF THE BALLPARK, SET THE WORLD ON FIRE, AND TEAR IT UP!!!!

Love you all!
